Opening ceremony Martha Kindergarten Chaibasa Sunday, January 13th 2019

Dear congregation of Chaibasa, dear guests!

I cannot be with you on this special day, but all my thoughts and my joy about the inauguration of Martha Kindergarten Chaibasa are with you. My special thanks and my admiration goes out to all those who have worked so hard and enthusiastically over the years to build this Kindergarten. It shows that you are all aware of the great responsibility that God has given to each of us to protect the souls of our little children, which are the weakest part in our society, against any kind of misuse of power.

Dear Karuna, Rashmi and Grace, this is for you a so called red letter-day you have been waiting for so long. You have been prepared for your task in India and Germany.

In Germany you learned that a Kindergarten shall be a place full of love, trust, security, phantasy, laughter of happiness and pleasure of learning by playing.

I have full confidence in you, that you will fulfill this demanding and wonderful task.

May God keep his protective hand over you, the children and their parents and all helpers.

All of you who gathered here today I wish a blessed and happy opening-ceremony.

Warm greetings from Berlin

Yours Helga Ottow
